FATBOY Marinade
44 Pearson Ave.
Somerville, MA 02144

My son and I bought a bottle of your marinade at Pemberton Market a few weeks ago in Cambridge. We are steak lovers and use all types of steak sauce and marinade on our grilled meat. We cook with charcoal year round. Your marinade is the BEST tasting marinade we have ever tasted! Our steak tips were in your marinade for 3 days prior to cooking. We cooked them at half time of the Patriot's game last Sunday. As my son said, "these are awesome." We will be regular customers and thank you for the great taste!
